## CAPTivators host 4th Annual *Diner en Noir*

September 30, 2016 – The CAPTivators will host the 4th Annual *Diner en Noir* on Saturday, October 15, at 7:30 p.m. at a clandestine location in Jacksonville. This unique annual fundraiser will benefit the Cathedral Arts Project, which provides free, quality arts education to children and youth in Jacksonville.

### WHAT:

*Diner en Noir* is a masquerade pop-up dinner modeled after a Parisian concept for a beautiful dinner party where only the hosts know the location until two hours before the event begins. Guests don masks and dress in black from head to toe for a spontaneous, yet sophisticated dinner party.

### WHO:

Be one of nearly 200 guests who partake in this elegant evening of spontaneity. Guests must be 21 years of age or older. Gather a group of eight for a full table. Riding solo? Individuals and smaller groups will be paired up to create a full table.

### WHERE:

That's the mystery! Only the hosts know. At 5 p.m. on October 15, table captains will receive a text message with the secret location, which they will share with their guests. A loading zone will be made available from 7 - 7:30 p.m. to unload cars prior to dinner, and valet parking will be provided by A1A Valet.

### MEAL & DÉCOR:

Guests are responsible for providing their own food and table décor. Make it a potluck and have each guest at your table bring something to share, or take the easy (and delicious) option and order dinner from Catering by Liz who will deliver to the venue on the night of the event. Menus and pricing can be found here: [capkids.ejoinme.org/DEN2016](http://capkids.ejoinme.org/DEN2016).

### TICKETS:

\$45 for a single seat or \$350 for a table of eight. Tickets can be purchased now through October 14 by visiting [capkids.ejoinme.org/DEN2016](http://capkids.ejoinme.org/DEN2016).

Enjoy the DJ stylings of Entertainment & Productions, Bold City brews, and wines from Riverside Liquors and Village Wine Shop. Prizes will be awarded for best dressed (female and male), best mask (female and male) and best table décor. You don't want to miss this unique event for a great cause!

###

*The CAPTivators are inspired leaders between the ages of 21-45 who help promote the Cathedral Arts Project's mission by raising awareness of the necessity for arts education for Jacksonville's children and youth. They are fans of the arts, practitioners of the arts and patrons of the arts. Each year, the CAPTivators host a variety of events in support of CAP, which help ensure nearly 2,000 Duval County Public School children will have access to free, year-long, standards-based programming in the visual and performing arts. *Now in its third decade of service, the mission of the Cathedral Arts Project is to enrich the quality of life in Northeast Florida through unleashing the creative spirit of young people. Our vision is for every child to benefit from a well-rounded education that includes dance, media arts, music, theatre and the visual arts. By providing direct instruction to students and teachers, facilitating partnerships and advocating for expanded access to arts education, the Cathedral Arts Project empowers children and youth to succeed in all areas of their lives.
