key vocabulary:

mosaic – a picture or pattern made by putting together lots of small colored pieces of stone, tile or glass

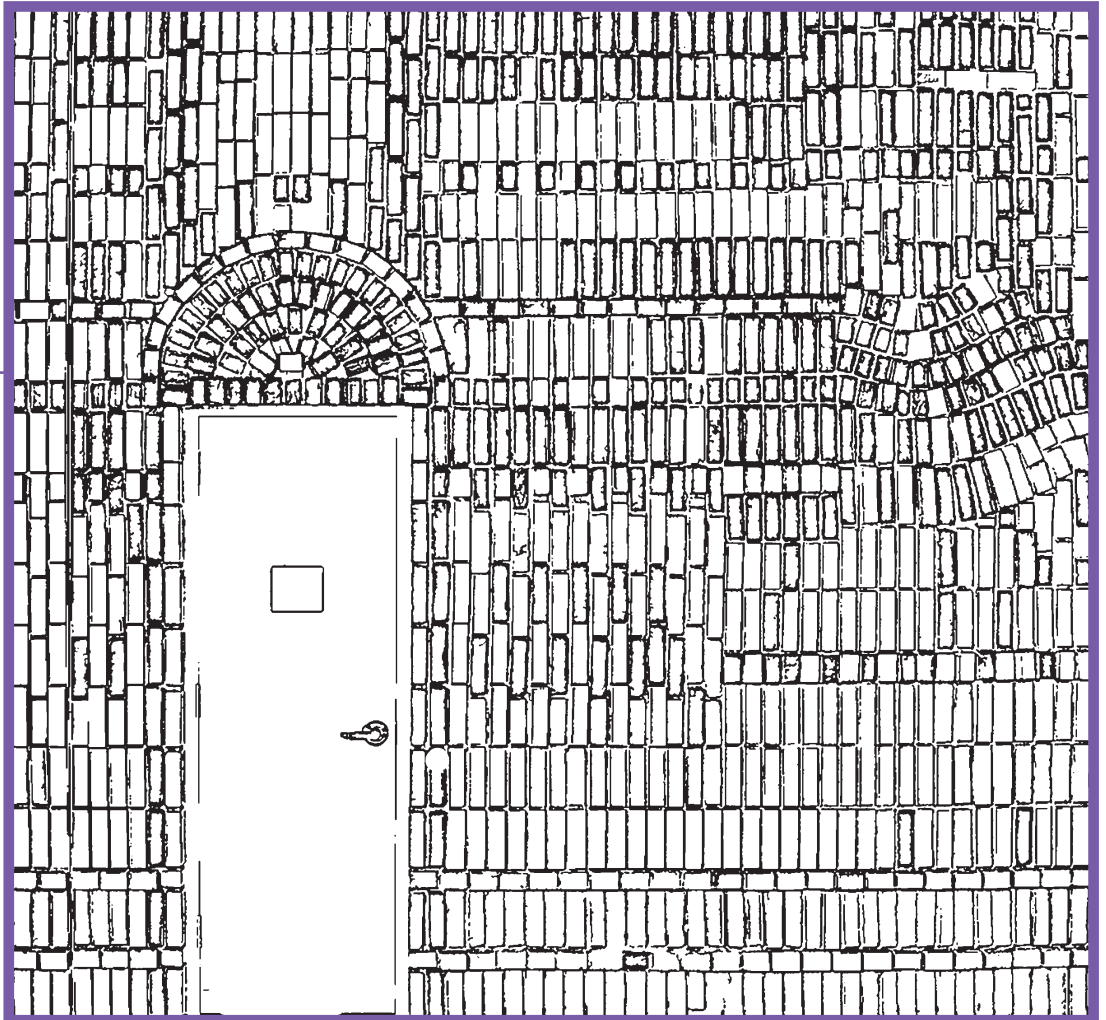

before the field trip

1 Color the duPont Center!

The duPont Center is covered in mosaics. What do you think this one looks like? **Fill in the mosaic with your favorite colors, then compare it to the real mosaic when you visit!**

2 Library Fun

The duPont Center was Jacksonville's first library, filled with thousands of books to explore. Engage in imaginative play by using pretend books or books from your library and **role play going to the library**. Peruse books, research on the internet, or create a craft! What sorts of fun can you have at the library? Create a cozy corner in your home to enjoy your books.

1 Make a mosaic!

Tear or cut pieces from the colors below, then glue your pieces together on another sheet of paper to create a mosaic like the ones you saw at the duPont Center.

2 Dance Party!

Think of the performance you saw by Jacksonville Dance Theatre. What was your favorite dance move? Turn your space into a dance party and try to recreate some of the dance moves you saw!
