## Cathedral Arts Project raises more than \$100,000 at 3<sup>rd</sup> Annual Golf Tournament

On Monday, December 2, the Cathedral Arts Project held the 3<sup>rd</sup> Annual CAP Golf Tournament at Deerwood Country Club. The event, chaired by CAP board member Alan Fickling, exceeded its goal and raised \$102,330 in support of arts education for children in Duval County. It is the only golf tournament to support arts education along the First Coast.

Despite a rained out tournament on the originally scheduled date, 26 teams enjoyed a chilly but beautiful day on the course and an awards reception following the tournament. Cecil W. Powell and Company took home the grand prize with the best net score of the day, followed by Baptist Health in second place and Weather Engineers in third.

The awards ceremony was emceed by Jeff Prosser from 1010XL, with Tournament Chair Alan Fickling, CAP Chief Development Officer Janette Allen, and CAP teaching artist Cenetta Baker speaking about the impact of the arts on the children served by CAP's programs. Original student artwork graced the ballroom during the reception, which was catered by Deerwood.

"I am so grateful to all of the sponsors, players and volunteers who came out not once, but twice due to a rain delay," said Tournament Chair Alan Fickling. "To have so many show up for a second day, just after the Thanksgiving holiday, is a true testament to their commitment to CAP and the children in our community."

CAP would like to offer special thanks to those who made the tournament a huge success, including presenting sponsor Fickling Construction, and the golf tournament committee: Steve McCall, Florida Paint Company; Larry Turknett, W.W. Gay Mechanical Contractor; Marty Kern, Constellation Brands; Michelle Berman, Wells Fargo; Roger Williams, Harbinger Sign; and Rhea Harris, Brooks Rehabilitation.

The 4<sup>th</sup> Annual CAP Golf Tournament will be held Monday, October 5, 2020, at Deerwood Country Club.

###

*The Cathedral Arts Project is the leading nonprofit provider of quality, comprehensive and ongoing instruction in the visual and performing arts for elementary and middle school students in Duval County. The driving force behind all CAP programs is the belief that the arts matter – they provide essential skills, like creative thinking, perseverance, teamwork and self-discipline, that benefit all people in all areas of their lives.*

*Too often, certain populations of students do not have access to an arts-rich education because of limited access and resources in their schools, communities or homes. Yet these are the students for which the arts can have the strongest and longest-lasting impacts. CAP needs your support to accomplish its vision for every child in Northeast Florida to have access to a well-rounded, arts-rich education that endows his or her spirit with the imagination, self-confidence and strength of character that inspires great leadership and a will to succeed.
