## Why You Will Love This Role

Are you passionate about inspiring young minds through hands-on STEM activities? We're seeking enthusiastic instructors to lead an engaging one-day summer camp experience. This is your opportunity to spark curiosity and creativity in young learners while working collaboratively with fellow educators in a dynamic environment.

We are seeking four classroom instructors to lead activities at our summer camp being held at the Julington Creek Plantation Club House. This one-day opportunity allows you to share your passion for STEM education while creating memorable experiences for camp participants.

## About CAP

The Cathedral Arts Project is a nationally recognized nonprofit provider of quality, comprehensive and ongoing instruction in the visual and performing arts for school aged children in Northeast Florida. The driving force behind all CAP programs is the belief that the arts matter – they provide essential skills, like creative thinking, perseverance, teamwork, and self-discipline, that benefit all people in all areas of their lives. Voted one of the best places to work in Jacksonville, CAP offers a culture of creativity and teamwork right in the heart of downtown Jacksonville.

The arts have the power to inspire, unite and create change. At CAP, we embrace collaboration and strive to grow and diversify our partnerships to provide equitable access to arts education that impacts children for the rest of their lives.
