About CAP

The Cathedral Arts Project is a nationally recognized nonprofit provider of quality, comprehensive and ongoing instruction in the visual and performing arts for school aged children in Northeast Florida. The driving force behind all CAP programs is the belief that the arts matter – they provide essential skills, like creative thinking, perseverance, teamwork, and self-discipline, that benefit all people in all areas of their lives. Voted one of the best places to work in Jacksonville, CAP offers a culture of creativity and teamwork right in the heart of downtown Jacksonville.

The arts have the power to inspire, unite and create change. At CAP, we embrace collaboration and strive to grow and diversify our partnerships to provide equitable access to arts education that impacts children for the rest of their lives.

We respect and value all identities and differences. We encourage authentic self-expression and are committed to fostering and maintaining an inclusive, supportive and safe environment for all. We proactively pursue, engage and seek to understand diverse perspectives, because when everyone is empowered, creativity and innovation thrive. We are stronger together.

Position Overview

In 2017, CAP's board, staff and key stakeholders gathered to rethink, redefine and reimagine how to expand CAP's reach to more children while maintaining its standards of excellence. What emerged is a fellowship model that allows CAP to reach more children in more ways while strengthening the arts throughout our community and building a sustainable future for CAP and its teaching artist fellows.

The full-time Visual Arts Teaching Artist Fellow should be centered in strong artistic practice and have the desire to share their skills and knowledge for the benefit of children and the community. The fellow is responsible for visual arts-based education in multiple schools or community sites throughout Duval County

during the school year. They will need to pivot teaching plans for a variety of student populations, grade-levels and learning environments, including virtual and in-person settings, and be responsible for classroom management and curriculum development.

The fellow will be employed as a full-time employee of CAP and will report to the Vice President of Strategy & Operations. The fellowship contract has an anticipated start date of August 1, 2022.
